Speaker:

Since we had a guest speaker, the regular monthly business for the July meeting was postponed until the August meeting. Chris welcomed Marty Nohe, our supervisor for the Coles District. Mr. Nohe replaced Wally Covington due to the county rezoning.

Mr. Nohe introduced himself to the members of the community and presented himself as a very approachable representative with a can-do attitude. He is interested in the challenges that concern us and focused on the traffic calming devices that VDOT plans to install in the community, as well as the recent problems we are having at the park with teenagers and young adults. . He encouraged us to always call the police as their documentation helps build a case history. The snow removal damage to our community (curbs) and the very slow response from VDOT was brought to Mr. Nohe's attention (Claim to VDOT is dated March 4, 2010). Mr. Nohe asked Chris to forward any pictures and emails to him and he would follow up. Discussion then shifted to requests the Board has had to install "No Soliciting" signs at the community entrances. Mr. Nohe said the signs are not legally enforceable, though they could discourage some solicitors.

The meeting finished with a time for questions from the community.

The meeting adjourned at 9:14 PM.
Respectfully submitted,
Kathryn Scott
